

HEALTHCARE PROFESSIONALS AND FACILITIES

Helping you focus on high standards of care instead of high levels of risk.

If you're a physician, medical group, clinic, or hospital, you're challenged with delivering vital services while carefully managing the inherent risks. Cretcher Heartland's specialized team for healthcare professionals and facilities makes it our business to fully understand your business. We work with you year-round to ensure solid protection and sound risk strategy 365 days a year—not just at renewal.

You strive for quality care, and so do we. We work only with highly-rated insurance companies that offer perfect-fit programs for healthcare professionals and organizations along with exceptional levels of service for claims mitigation and loss control.

And, the number of these companies, markets and products we represent is broad; from small to large practices and facilities, we can deliver value-minded, customized programs that help you focus on great patient care instead of risk, security and protection.
